

# GREETING

FROM

THE GOVERNOR OF

# Bali.

*Om Swastiastu,*

To All Respected and Cherished Foreign Tourists Traveling to Bali,

I, Wayan Koster, Governor of Bali, warmly welcome you to Bali, The Island of Gods, The Island of Love, and The Last Paradise.

Thank you for your appreciation and for choosing Bali as your travel destination. Bali is blessed with breathtaking natural beauty, warm and friendly people, as well as a rich culture that is deeply rooted in a harmonious spiritual way of life. Your visit contributes significantly to Bali's economy and positively impacts the welfare of the Balinese people.

With great respect, I invite all Foreign Tourists to participate in preserving Bali and enhancing the competitiveness of Bali's tourism through the Foreign Tourist Levy contribution amounting to IDR 150,000 per person. This contribution is recommended to be paid prior to arrival through the secure and reliable Love Bali system, accessible via web or mobile platforms.

The funds collected from this levy are utilized by the Provincial Government of Bali for the protection of Bali's cultural heritage and natural environment.

In addition, all Foreign Tourists are required to comply with the Do's and Don'ts guidelines during their stay as a collective effort to maintain high-quality and dignified tourism in Bali. May the spiritual essence of Bali bring you comfort, peace, happiness, and renewed inspiration in achieving your best life.

Enjoy your holiday on The Island of Life,  
your home away from home—ours to cherish. Let us preserve it together.

*Om Shanti, Shanti, Shanti Om.*

Warm Regards,  
  
**WAYAN KOSTER**  
Governor of Bali
